

# Drawing prompt cards

Cut along the lines, fold them up and pull one out when you cannot decide.

A sitting dog in cartoon style

An elephant with a curled trunk using only straight lines

A spider hanging on a thread in under two minutes

A hedgehog curled into a ball underwater

A sun with a crown of triangles made of sweets

A crescent moon with craters made of clouds

An apple with one bite gone in a hurry

A unicorn with a big mane as realistically as you can

A mermaid on a rock without lifting your pencil

A bicycle leaning on a wall filled with patterns

A desk lamp bent over in space

A pair of glasses folded twice the normal size
